I would encourage each of you that was not at the Moms for liberty meeting this morning to seek out and listen to the presentation.

Struck me sitting in this presentation that maybe the fostering healthy solutions is trying to solve the problem created by the wit and wisdom curriculum

Certainly seems that the behavior examples used to justify the expense are just those that shaming children would elicit

Don't expect to hear from any of you but would be nice to hear your comments

Thanks  
Adrian
