

I submit 15 June 2021, 10:00 am, at the auditorium in the WCS Central Office, or a WCS gymnasium, for this review to take place. Parents across the county are prepared to make a centralized presentation on this matter. This format will not exceed 90 minutes. I, and parents like me, simply wish to be heard ahead of the 17 June Board of Education work session and 21 June board meeting when the Wit and Wisdom results will be discussed.

Please respond to myself at the information above and to [REDACTED] or [REDACTED].

Respectfully,

Brooke Ledbetter

Exception to Policy: Since multiple principals are receiving this same request and because the issue is already up for review at the county level, it is my recommendation and my request that this issue be immediately elevated to the WCS Board of Education and Superintendent of Schools, so that multiple schools may simultaneously review the material in a timely manner so that a decision may be reached in time for the 2021-2022 school year.

experience was "social emotional learning," steeped in ideology and activism, rather than reason, logic, and rational thought. That is not the society I wish my children to inherit. Furthermore, it breaks my heart to hear stories from other parents whose children have been traumatized. I look at my own children and shudder to think how it would affect our family if it happened to us.

I realize that you have a canned response ready to go in answer to this email. I wonder that you don't feel a tad ashamed to answer genuine parent requests and testimonies with a canned response handed to you from on high. That does little to foster trust and build relationships within the community which your school serves. And yes, you are in service to the community. It's a shame you and those above you are so resistant to hearing from it. I would like to extend a heartfelt invitation for you to attend our community presentation on our findings regarding Wit and Wisdom on the 15th of June at 10 o'clock in the morning.

Respectfully,
Robin Steenman

4.403, if followed to the letter would be coming 2021-2022 school year. Furthermore, the Board of Education addressed the Great Minds Wit & Wisdom curriculum at their 13 May 2021 work session (Attachment 1). At minute 3:01:00, Nancy Garrett (District 12) suggested that a curriculum review, to include "teacher inputs, student inputs, and community inputs," should be reported on at the June board meeting. Superintendent Golden responded, "Yes ma'am, I think that's a great idea." Jay Galbreath (District 6) suggested "solicitation of feedback" at 3:18:53. Since 4.403 could easily exceed 30 working days, by its own admission, I request the following exception to policy.

Exception to Policy: Since multiple principals are receiving this same request and because the issue is already up for review at the county level, it is my recommendation and my request that this issue be immediately elevated to the WCS Board of Education and Superintendent of Schools, so that multiple schools may simultaneously review the material in a timely manner so that a decision may be reached in time for the 2021-2022 school year.
