

story that you may have missed earlier this summer: https://www.theepochtimes.com/critical-race-theory-update-et-tu-williamson-county_3836368.html. Full text at Attachment 3.

All that is required is to put the children first and find a curriculum that, above all, seeks to "do no harm." Reading, writing, and arithmetic, please. Equip our children to be successful, not marinate them in ideology or teach them to judge by race. Make no mistake: that is currently happening in Williamson County. And it must stop.

Going forward, I will endeavor to address one issue each week in an effort to keep the county commission apprised of WCS from the perspective of your constituents.

Thank you for your time.

Very Sincerely,

Robin Steenman
