Hi Jason,

Our MTSS summit is brimming with academic experts and researchers in education! The summit will be kicked off by our first keynote speaker, **Dr. George Batsche**, as he speaks on "**MTSS: Integrating Academic, Behavior and SEL Instruction and Supports to Ensure Equitable Outcomes for ALL Students.**"

Dr. Batsche is a professor and co-director of the Institute for School Reform at the University of South Florida. The majority of his work has focused on systems of implementing academic and behavior interventions for at-risk students. Dr. Batsche has worked as a university professor and researcher, school psychologist, district-level administrator, building principal, and consultant to school districts.

This summit is a powerful professional opportunity for you! Join Dr. George Batsche and other experts to supercharge the New Year by advancing effective MTSS implementation to ensure growth, success, and equity for **all** learners.

Spots are filling up fast; **if you haven't; registered yet, [register now](#) before it's too late!**
