Good Afternoon,

I would like to invite you to participate in the second cohort of Leadership DEI, Williamson, Inc.'s newest leadership program and inclusion initiative. We are thrilled to continue our partnership with [People3](#) to bring Williamson County business and community leaders data driven content to help create a culture that will attract and retain the best talent. I was able to participate in the first cohort in the fall and was impressed with both the content from People3 as well as the incredible group of executives in the leadership class with me.

Leadership DEI will take place virtually from **8:30-10 am on Feb. 1, March 1, and April 5.**

Please see the attachment for more detailed information. Anna Lisa Roberts, our Director of Talent and Workforce Development, is leading this program and you can respond with questions or to reserve your spot to [REDACTED].
