Subject: Thank you

WARNING: EXTERNAL EMAIL - THIS EMAIL DID NOT ORIGINATE FROM WCS

Dr. Golden,

I just want to say thank you in behalf of WCS families It is so encouraging to see your time investment in DEI leadership training. I wish our entire school board was committed to growth and education in this area. Our school system is a microcosm of society, and I appreciate your dedication to making both better. Diversity makes us stronger, equity makes us honorable, inclusion makes us family.

From a grateful parent of two Centennial seniors,

Pamela McClure
