Jennifer,

Thanks for your email. I am familiar with LMT. We've participated with Leadership Brentwood, Leadership Franklin, and LMT over the years. I'd be happy to be a panelist. I've cc'd my assistant Lydia Glynn to make sure we work out the logistics of your needs, schedules, etc.

Dr. Golden,

My name is Jennifer Pagliara. I am part of the planning committee for Leadership Middle Tennessee (LMT) along with Vickie Manning and DarKenya Waller. I'm unsure if you are familiar with LMT. We are non-profit organization that selects about 40 leaders from Middle Tennessee to go through a year long program teaching them about our region. We spend 1.5 days in each of the 10 counties of Middle Tennessee. You can find more information about our program here: <https://leadmt.org/>

We are currently planning Williamson County's session. Our topic is education and workforce development. On 12/9/2021, we are visiting the EIC at Franklin High School and hosting a panel on diversity in education. Dr. Ryan Jackson is going to be our moderator. Ryan was in our LMT Class of 2020 and as you probably know the Principal of Mount Pleasant High School. We are currently looking for other panelists and wanted to gauge your interest. We really believe you could provide valuable insight.

Please let me know if we can answer any questions regarding the event and if you're interested in this opportunity.

Best,
Jennifer
