WARNING: EXTERNAL EMAIL - THIS EMAIL DID NOT ORIGINATE FROM WCS

The WCSB code of ethics, article 2 section 2 states "I will represent at all times the entire school community and refuse to represent special interests or partisan politics."

Dan Cash is responding to constituents telling them to go view the Moms for Liberty website. This is a clear violation of policy.

Who does Dan Cash represent? Does he represent the WCSB and ALL students of this district, or the loud minority in Moms for Liberty? Instead of listening to experts like Mr. Allen and sending parents to educators if they have questions, he sends them to an extremist special interest group.

Please tell me how the board will respond to this violation of ethics.

Thanks,
Crystal Freemon

Re: Please reconsider

[redacted] personally will not support curriculum that is not age appropriate for children. I will not support curriculum that is constantly negative. The degrading of the family unit ,marriage ,introduction of breeding, cannibalism or prostitution. These are just a few of the topics discussed starting in 1st grade.

Well I agree that I wouldn't want my children learning about those topics. Could you let me know specifically where those topics are found? My daughter is in 2nd grade and I haven't noticed anything like that.

Thank you.
