Mr. Hall,

Contrary to the statement that you made live on the air tonight, Robin Steenman is not now, nor has she ever been, a Williamson County Schools parent. In fact, Ms. Steenman has made it quite clear through her past public tweets that she would "never" send her kids to a public school and that she considers public school teachers to be "little brainwashing a\$\$holes."

Did your fact checkers inquire if she was a WCS parent before booking her or did she misrepresent herself to News Channel 5?

Regards,

Eric Welch
