Sam and my son are the same age and are friends since Kindergarten. We have all lived in the same neighborhood since the boys were babies.

My son also has a Spanish degree, but is working at Pencil Foundation right now. We have lots of connections...

Oh! No way! I love Mrs. Hagewood, though she always wants me to call her Stacey 💎💎💎💎 Sam and I went to prom together, as we were close in high school.

Hi,

Yes, I graduated from Franklin HS in 2013! My sister Abby Ayers graduated in 2016.

Hi, Emily: thanks so much for your kind email.

The Board has approved the bonus, and our resolution is now sent on to the County Commission for their votes in their March meeting. If it passes the County Commission, then WCS employees will receive it. Keep your fingers crossed....

By the way, are you the Emily Ayers who graduated from Franklin around 2015?

Hello,

I wanted to thank you for the extra funding being given to employees! This year has been difficult for teachers, parents, students, and families. You all are having to make difficult decisions every day that affects all those people, and I cannot imagine being in that position. Thank you for all you do.
