I would love to check out Goa sometime. My mom loves it there.

How neat! That was before my time- I've been there about 7 1/2 years. I was a TNCPE Examiner a few years ago, so I am definitely familiar with Baldrige.

I dream of going to Goa someday. Usually when I go to India, I just like to stay in town and visit with team members.

Before I was at Deloitte, I worked for a small regional consulting firm, Tanner Corporate Services. CAT was one of our customers. We worked with them on Baldrige Award criteria and on an HR handbook, if I recall correctly. That's been many, many years ago---like 15-20.

Have you really? That's great. My dad's family is from Bangalore and my mom's and ex-husband's family are from Hyderabad. My

mom is now living near Goa, but I haven't visited in over 10 years probably. How did you enjoy the trips?

I work for Cat Financial/Caterpillar in Corporate Communications within their Business Excellence department.

Hello, incoming PTO Presidents of Page HS, Centennial HS, Legacy MS, Page MS, and Creekside and Winstead Elementary schools!

I wanted to introduce myself to those of you I don't know. I'm Nancy Garrett, and I represent District 12 on the Williamson County School Board. All of your schools have families (and students) who live in District 12.

Prior to serving on the Board, I was the PTO President at Centennial, so I have some awareness of all that you do for your schools. Thank you! And I also know that people reach out to you with questions--and returning to school this year is going to be full of them. Please know that I am always available for questions and helping you get the answers you need.

Here's a list of resources that may be helpful for you this summer.

WCS InFocus: the primary newsletter for all things related to our District: <https://www.wcs.edu/infocus/>

Coronavirus updates--this page is updated frequently as more information becomes available; now includes the updated Draft: <https://www.wcs.edu/coronavirus/>

I also have FB and Twitter pages, both of which I try to keep updated. I will also share your important events on that page--just let me know what you would like me to post.

Again, if I can be of help, please reach out to me via email or at the number below. I'm looking forward to working with, not to mention meeting, you all. Thanks again for your service.
