## **Fly Five® is your SEL solution.**

Cultivating social and emotional learning in the classroom is easy with the right curriculum, tools, and dedicated support.

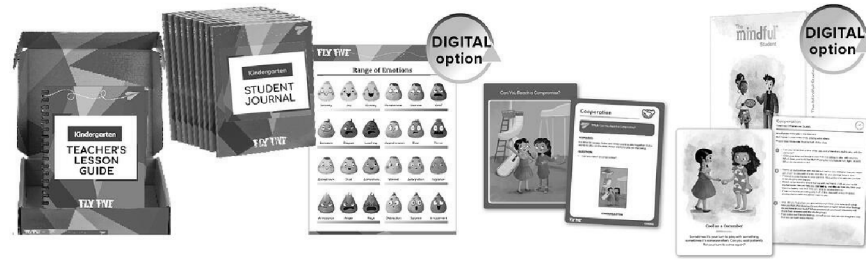

## Teach SEL.

### 5 features that set Fly Five apart:

1. Explicit instruction in SEL using a set of research-based standards that map to **CASEL's core competencies** and **state SEL standards**.
2. **Built-in professional development** to help educators develop SEL content knowledge and teaching strategies.
3. Deep and intentional focus on **diversity and representation**.
4. SEL learning opportunities for students and parents **outside of the classroom**.
5. The **Social and Emotional Type Inventory (SETI)** tool, which gives educators a personalized profile of their own social and emotional strengths to inform their teaching.

Developed by the creators of *Responsive Classroom*, Fly Five is a K–8 SEL curriculum that teaches the social and emotional skills students need to be successful in and out of the classroom.

**Contact an Educational Partnership Consultant today to discover how Fly Five can help you bring SEL to your school community.**
