Are you new to a leadership position or an emerging leader? Are you looking to develop skills and strategies for leadership advancement? If so, we invite you to TTA's 2021 Virtual "Empowering Women to Lead" Series!

Join us as we hear from four remarkable women leaders. This four-week, hour-long lunchbreak series will focus on inspiring and cultivating women leaders by developing your ability to lead with empathy, mental toughness, mindfulness, and confidence.

During this four-week series, our speakers will help encourage and nurture the leadership mindset within you. You will learn how to -

- Develop an **empathetic approach to leading** that inspires engagement and workplace inclusion
- Develop the skills to **foster a mentally tough and "solution-based" mindset**
- Learn practical **strategies for strengthening your leadership resilience**, and
- Improve your **connection skills as a leader** that will positively influence your culture resulting in greater workforce engagement

This energizing four-week series will deliver actionable items that allow you to stand apart as an empowered leader and immediately apply to your workplace.

**Take your leadership commitment to the next level – register today!**
