

CALL TO ACTION:

Franklin BOMA to Vote on Pride Fest at Harlinsdale April 11, 2023

March 28 BOMA Public Comment

5:00 PM Work Session

- Over 30 citizens spoke
- Each had one minute to speak
- Vast majority **against** the approval of Pride at Harlinsdale Farm
 - ~30 against, ~5 in favor
- Speakers included
 - **Trish Lucente**, founder of Parents Choice TN
 - **Robin Steenman**, chair of Moms for Liberty WC
 - **Miki Cutler**, TN Chair of Gays Against Groomers
 - Several local pastors
 - Young and old, all walks of life

What happened to the Vote?

- During the 7:00 PM BOMA meeting (at the 46 minute mark) the BOMA addressed approval/disapproval of the permit of the Pride Festival at Harlinsdale Farm
- **Ward 3 Alderman Jason Potts** immediately motioned to defer the vote by two weeks in order to first address "Item 13."
 - Item 13 is Alderman Burger's Resolution 2023-25 on Community Decency (more on that)
- **Ward 4 Alderman Patrick Baggett** was quick to second the motion (no surprise there).
- **Ward 2 Alderman Matt Brown** expressed a preference to stop stalling and just get on with it.
- **Ward 1 Alderman Bev Burger** conceded some validity to both sides.
- **Alderman At Large Brandy Blanton** expressed a desire to go ahead and vote.
- **Alderman at Large Clyde Barnhill** expressed an understanding for deferment.
- **Aldermen Gabrielle Hanson** and **Ann Petersen** did not comment on the motion.
- A vote was taken on the motion to defer: **Approved by 5-3 vote**
 - Burger, Hanson and Blanton voting AGAINST
- Most in the room groaned at this outcome and interpreted it as a dodge.
- The issue will be taken up again TONIGHT.

What is Item 13?

- Resolution 2023-25 on Community Decency
 - See next slide
- It appears more geared toward isolated acts in public spaces or community events
 - Examples:
 - Someone decides to engage in lewd behavior on the town square
 - Someone decides to dress inappropriately at Pumpkin Fest, Dickens of a Christmas, 4th of July, etc...
 - Not meant to police an entire of festival of 5000+ attendees

What would that mean for Franklin PD?

- It asks an average “beat cop” to walk into a mass of 1000s of people traditionally hostile to police
- It expects that police officer to make a **judgment** on what is indecent and **then cite/arrest in the middle of Pride Fest?**
- To say that this resolution fixes Pride Fest is like **putting a band-aid on a bullet wound**
- This attitude is a **sell-out of local police**
- For the BOMA to hide behind the passing of this resolution is a **sell-out of the Franklin community.**
- We need our city leaders to **LEAD FROM THE FRONT** and not push off judgment calls onto local police

CALL TO ACTION:

Franklin BOMA to Vote on Pride Fest at Harlinsdale March 28, 2023

Pride Fest at Harlinsdale Farm

- Approval/Disapproval of Franklin Pride's permit request
- Started in 2021, Drag Queens both years
 - Drag shows violated city ordinance and existing state obscenity law in prior years
 - TCA §7-51-1401, 1407
 - Drag shows will violate new state obscenity law, effective on April 1
 - SB3/HB9 (now held up by federal judge)
- Promised no drag shows in 2023
- Marketed as “family friendly”
- Marketed toward children with “youth activity tent”
- Marketed toward teens with “teen activity tent”

Considerations

- We stand against the pushing of GENDER IDEOLOGY on minors.
- We stand against the sexualization of children.
- Franklin Pride, in concert with PFLAG Franklin, Wilco Iris, PRISM, and the numerous high school Gender-Sexuality Alliances (GSAs), pushes both.
- Such an event more appropriate for private property, not city property.
- Though Franklin Pride commits to no sanctioned drag shows, they cannot control the actions or exhibitions of their attendees.
- Their city permit application specifically mentions marketing towards “youth” and “teens”
 - Sexualized messaging specifically for minors = grooming
- These organizations directly feed the current trans “social contagion”
 - “Social Contagion” omits the small percentage of youth who actually experience clinically diagnosed gender dysphoria

Franklin Pride's Permit Application

FRANKLIN PRIDE OUTDOOR FESTIVAL

Question # 8

Franklin Pride is a free one-day family friendly festival with food trucks, two stages of live music/entertainment, vendor booths, nonprofit booths, a youth activity and a teen activity area, picnic area, and a beer tent (21 and up). There will not be a drag show in the park. We will rent the entire park so anyone entering the park on June 3 will enter knowing they are attending Franklin Pride.

SUBJECT:
Consideration Of Special Event Permit For Franklin Pride Festival Sponsored By Franklin Pride TN
At The Park At Harlinsdale Farm On June 3, 2023

PURPOSE:
The purpose of this memorandum is to outline recommendations for the Franklin Pride Festival at the Park at Harlinsdale Farm on June 3, 2023.

BACKGROUND/STAFF COMMENTS:
Franklin Pride TN has requested an event permit for a Pride Festival at the Park at Harlinsdale Farm on June 3, 2023. This is the third year for the event. The festival includes live music, food trucks, arts and crafts vendors, and non-profit booths, as well as a youth activity area. The applicant anticipates 5,000 attendees.

For this year's event, the organizer states there will not be a drag show included as part of the entertainment. The organizer has also offered to rent the entire Park (including the Dog Park) so that anyone that is on site will know they are attending the Pride Festival.

FINANCIAL IMPACT:

The applicant covers the cost of staff, facility usage, and any damage that occurs during the event (including set-up and tear-down).

RECOMMENDATION:

Staff recommends approval of this event with the following conditions:

- Applicant shall meet with staff for walk through at least five days prior to event.
- Applicant will provide a detailed map/layout to the City detailing the location of tents, vendors, etc. prior to the event.
- Applicant will provide a \$1,000 damage deposit to the City prior to the event.

blairbitchnyc This year I celebrate Pride the way I should've been doing all along, by supporting, standing with, and raising up the black, trans, and non-binary communities as strongly as I stand with the rest of those who fall under the LGBTQIA+ umbrella. I celebrate acknowledging the people who made it possible for me to love my man with pride in the first place. 2020 has taught me (and hopefully us all) a lot. Black and queer rights are inseparable, especially now. I didn't have to fight for the freedoms and privileges I have, that's why I and all other cis, white, able-bodied gay men must use that privilege to fight for those who deserve the same. The people who SHOULD have received it a long time ago. Police brutality must end and reforms must be made. The work is not done until laws that protect these people are implemented and enforced. I am seeing so many posts of people wearing a rainbow and saying happy pride with drink in hand, and sorry but that just ain't it. The inclusive pride flag aka the Progress Flag is the only pride flag considering (white) gays and lesbians would not have the rights that we do without black trans women!! The end of pride does not mean we touch base again next June, we have to finish the work started by those who came before us! 🏳️🌈💜💙💚💛💔💔💔💔💔💔💔💔💔💔

 **blairbitchnyc** happy spooky season ghosts and ghouls 🍷
thank you to everyone who came out to our SOLD OUT show
last night 🍷 hmu for brunch reservations for tomorrow!!

The adults of Franklin Pride demonstrated an extreme lack of judgment in promoting such a performer as “family friendly” and targeting minors with youth activities on city property where “The Blair Bitch” and others were performing.

THE GENDER IDEOLOGY PIPELINE

The infographic illustrates the flow of influence from federal and international organizations to schools, centered around 'YOUR SCHOOL' (represented by a schoolhouse icon). The flow is organized into levels, with arrows indicating the direction of influence.

- TEACH FOR AMERICA
- GENDER SPECTRUM
- PFLAG

THE GENDER IDEOLOGY PIPELINE

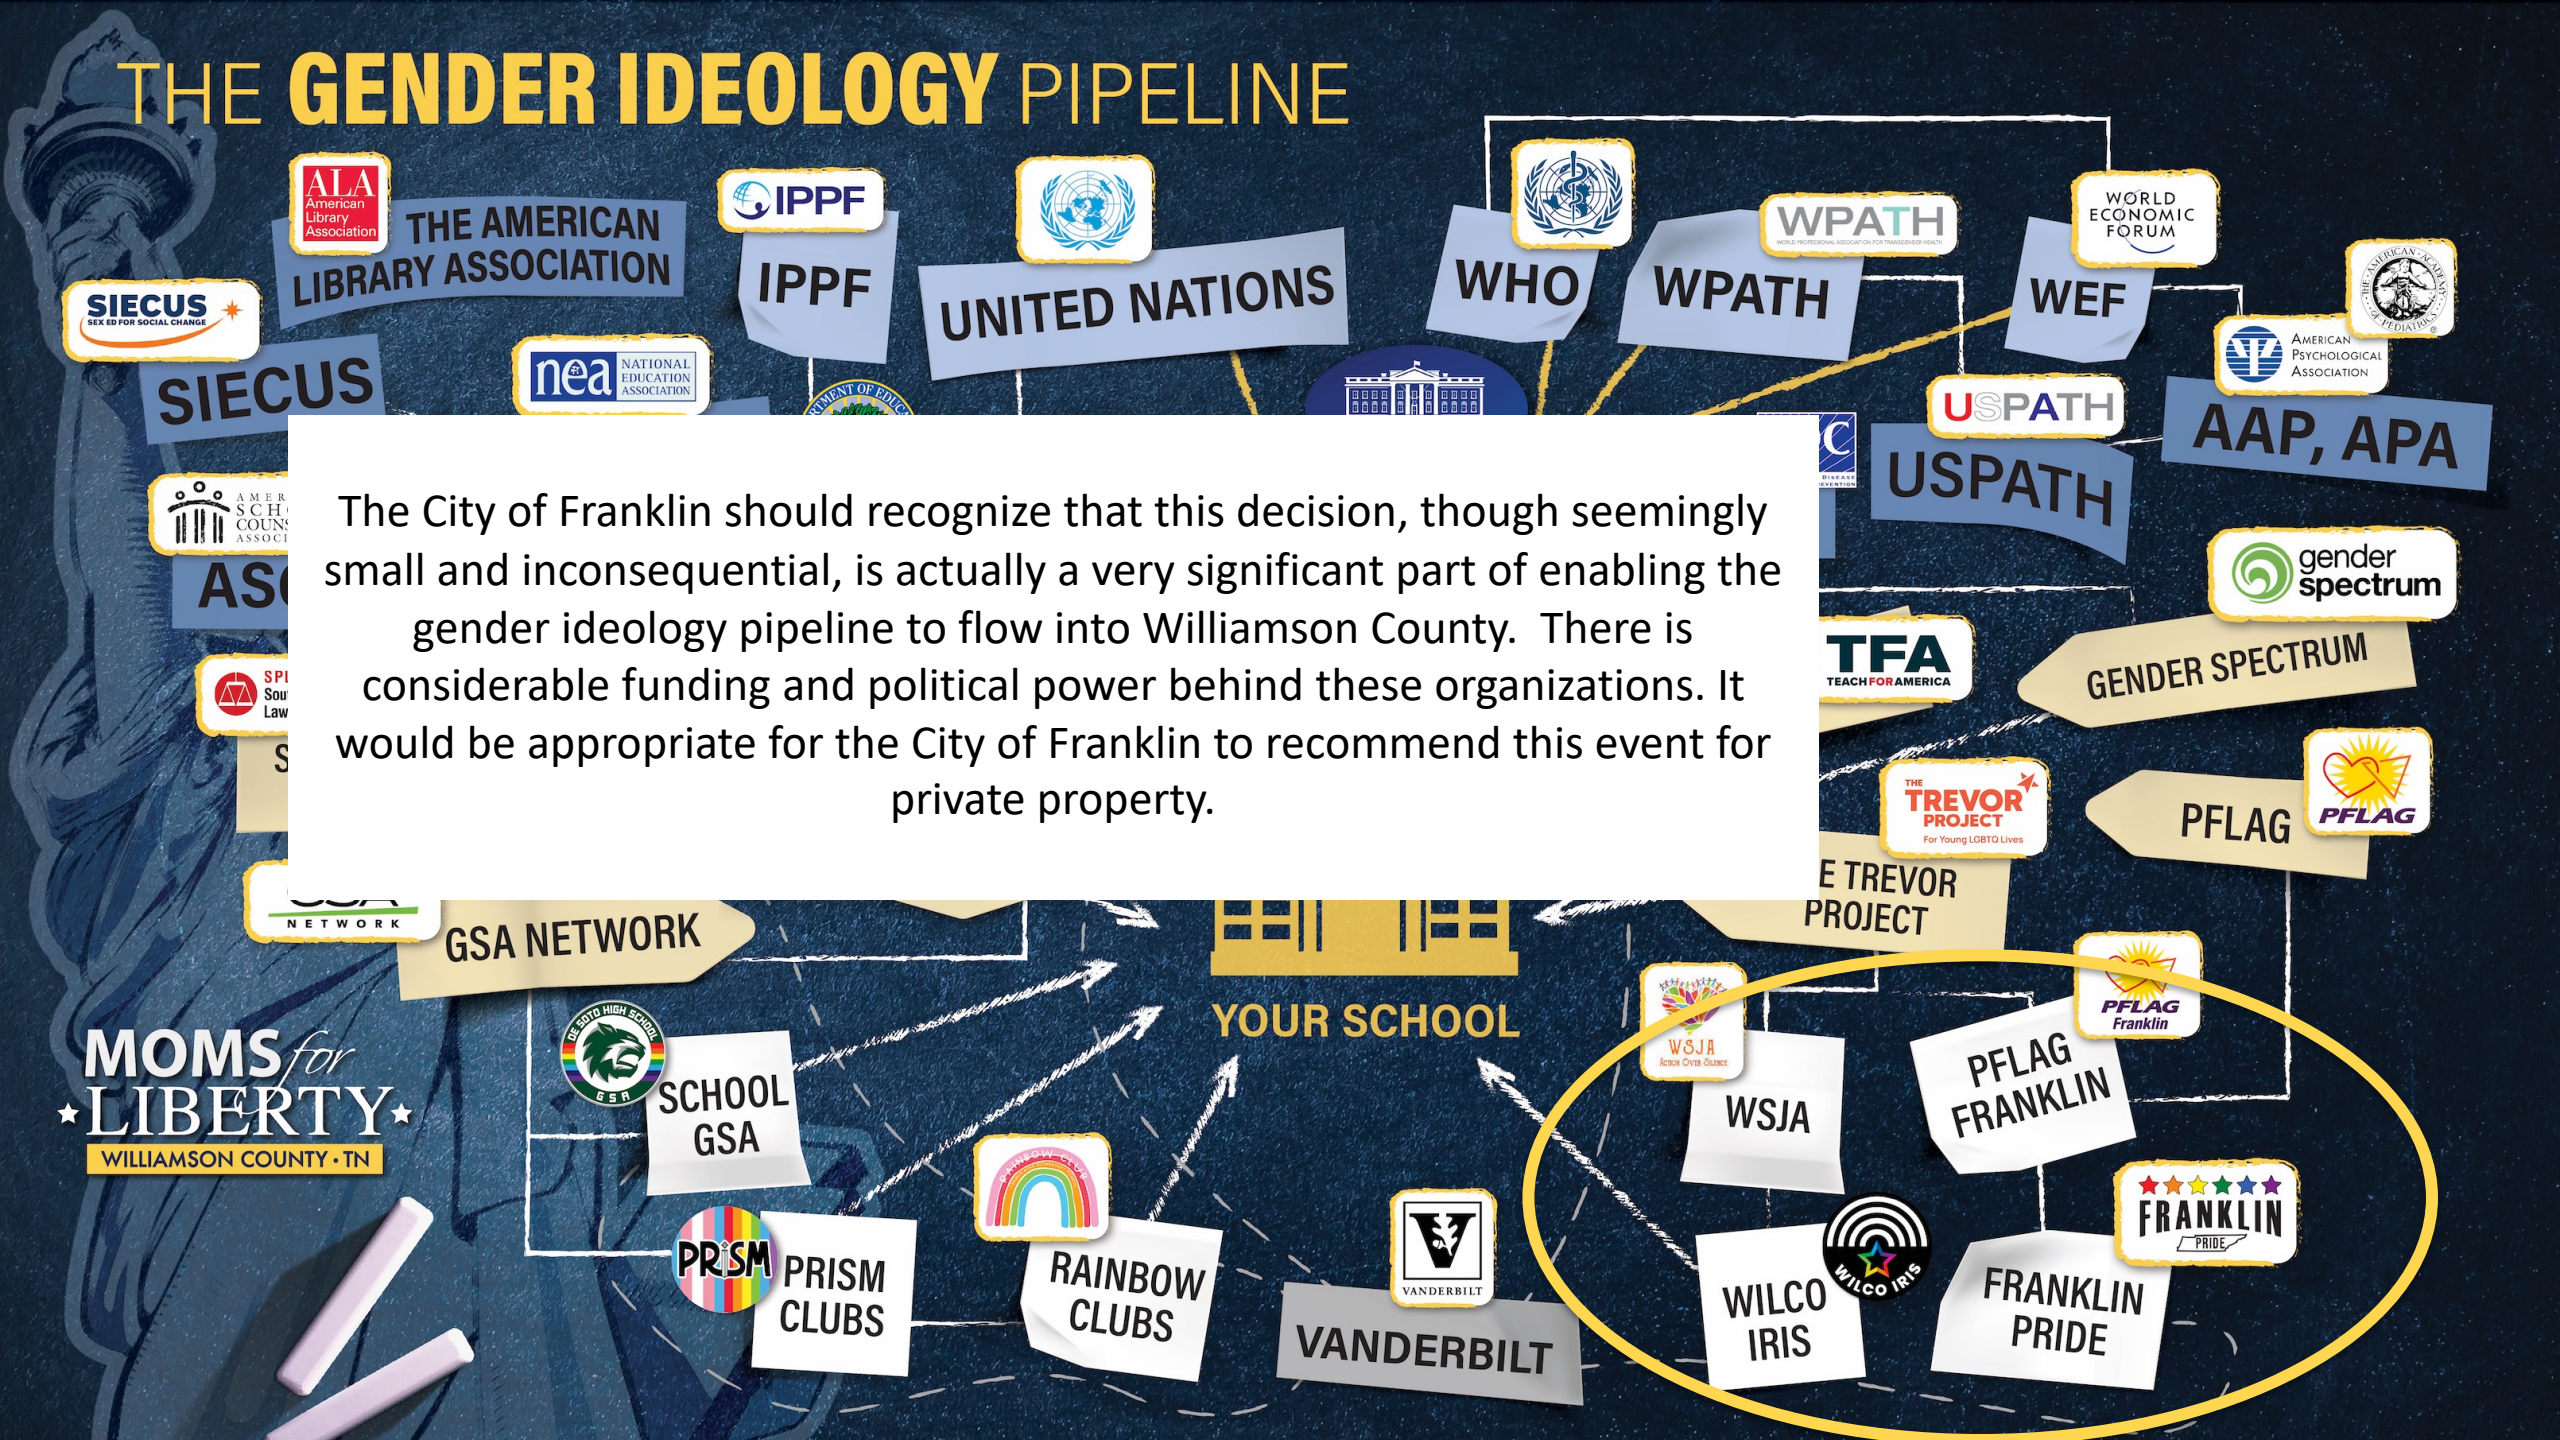

The City of Franklin should recognize that this decision, though seemingly small and inconsequential, is actually a very significant part of enabling the gender ideology pipeline to flow into Williamson County. There is considerable funding and political power behind these organizations. It would be appropriate for the City of Franklin to recommend this event for private property.

Organizations in the Pipeline:

- Top Level (National/International):** ALA (American Library Association), IPPF, UNITED NATIONS, WHO, WPATH, WEF (World Economic Forum), AAP, APA (American Psychological Association), gender spectrum, GENDER SPECTRUM, PFLAG, THE TREVOR PROJECT, TFA (Teach For America), WSJA (We Stand For Justice), PFLAG Franklin, FRANKLIN PRIDE, WILCO IRIS, VANDERBILT.
- Intermediate Level:** SIECUS, nea (National Education Association), USPATH, AAP, APA, GSA NETWORK, SCHOOL GSA, PRISM CLUBS, RAINBOW CLUBS.
- Bottom Level (Local):** MOMS for LIBERTY (Williamson County, TN), YOUR SCHOOL.

The diagram illustrates a flow from these organizations towards 'YOUR SCHOOL', with a yellow circle highlighting the local-level organizations (WSJA, PFLAG Franklin, FRANKLIN PRIDE, WILCO IRIS, VANDERBILT) that are most directly involved in the pipeline.
